We will continue to promote growth in South Central Section by hosting a new member orientation. I am asking each Branch President to bring a potential new member to the planning meeting. We will have a team of our residential experts conduct an informative workshop for the potential members. We ask that this individual bring an all white outfit(including white shoes) to change into if they should decide to become a member. National dues for this individual must be paid at this time. We will have an induction ceremony for those who commit to joining that day. I am asking all National and Sectional Officers to bring white as well. (Lunch for the new members will be provided for by the Sectional.)

Attached you will find an order form from the Capital Outlay Chairperson, Mrs. Frankie Early. If you or any members of the Branch are interested in purchasing the NAUW pin please fill out the form and mail it along with your money to her by **September 5, 2014**. Frankie will have the merchandise for you upon arrival at the planning meeting. There will also be other items for sale on site such as blankets, visors, etc.

Please adhere to all deadlines. Your consideration and cooperation in these matters will be greatly appreciated. I am looking forward to meeting with you in Pineville, LA.
